Eckelmann Group

Declaration of conformity according to regulation (EC) No. 1907/2006 (REACH)

Eckelmann AG is a producer of articles within the meaning of Regulation (EC) No. 1907/2006 (REACH) and regarding the substances and mixtures used in its manufacturing processes, a so-called "downstream user".

Our products supplied to you are articles and therefore cannot be defined as a substance or mixtures (According to Article 3 Definitions). In addition, no substance is intended to be released from the products you purchased under normal and reasonably foreseeable conditions of use.
Consequently, there is no registration obligation under Art. 7(1).

Our products comply with the substance restrictions according to REACH Annex XVII.

According to Article 33 of the REACH regulation Eckelmann AG provides the information in case an article contains a substance of very high concern (SVHC) in a concentration of more than 0.1% by weight.
SVHC are substances according to Article 57 of the REACH regulation and published in the current candidate list of ECHA.

In order to secure the supply chain and in the interests of maximum product safety, we ensure that our suppliers also meet all these requirements for the materials and components that we use.
